The time has come at last when the terrible agony incident to this very critical period in a woman's life can be avoided. A distinsuished physician, who passed the greatest portion of his life (forty-four years) in this branch of practice, left to shild-bearing woman this priceless legacy and life saving appliance. "THE MOTHER'S FRIEND," and to day there are thousands of the best women in our land who, having used this wonderful remedy before confinement, rise up and call his name blessed.

We receive letters from every rection of the country thanking us tor placing this prepara ion section of the country thanking us for placing this preparation in the reach of suffering woman. One lady from North Carolina writes us that she would like to t. ank the proprietors on her knees for bringing it to her chloroform, inst uments, etc., and she suffered almost death; but this time she used "MOTHERS' FRIEND," and her labor was short, quick, and simest like magie. Now, why should a woman suffer when she can avoid it? We can prove all we claim by living subsepts. and any one interested can call, or have their hunbands do so, at our office, and see the original letters, which we cannot publish.
